## **The Ted and Grace Bachhuber Aquatic and Fitness Center**

**(TAG CENTER)** is a 60,000 sq. ft. facility, built in 2002, with an expansion in 2017, and given as a gift from the Bachhuber Foundation. This beautiful facility is located on a spacious 40 acre site on the West Side of Mayville, Wisconsin.

It is under the operation of the City of Mayville.

The Indoor Aquatic Center has a water-park like atmosphere. Included are a 228 foot long Tube Slide, Kiddie Fish Slide, PoolPlay Activity Center, three Lap Lanes, and a Current Channel. A state of the art U/V system requires the use of less chlorine, thus improving both water and air quality in the Aquatic Center. The Fitness Center is equipped with the latest in cardiovascular and resistance machines along with a free weight area.

A Gymnasium, with a suspended Walking/Running Track provides another exercise outlet for guests. An Indoor Bike Room for cycling enthusiasts. Two Golf Simulators to play golf indoors. Ball-flight and shot performance in the virtual environment, as if it happened outdoors.

Experience a new way to compete on a shooting range with our Laser Shot Simulator.

A Group Fitness Room for classes, tennis or pickleball. Two Party Rooms are available for rent offering an option of a Full Kitchen or Kitchenette which provide a great atmosphere for that special day. A relaxing, casual Lounge area provides an opportunity to socialize with friends and family.

Donors to the TAG Center Endowment Fund are recognized on a stained glass mural that is a beautiful work of art constructed by local volunteers.

The TAG Center provides a safe and comfortable environment for indoor recreation regardless of weather conditions. It is a facility for all age groups that offers opportunity for recreation, education, fitness, and social interaction.

The Tag Center truly is

**“A PLACE FOR EVERYONE”**
